

# Northville Varsity Dance Company

Northville's Varsity Performance Dance Company

Nationally Recognized since 2016, Established in 2007

## About

NHSVDC is an after-school performance based dance group. In 2015, NHSVDC was honored to be selected to perform at Walt Disney World and made Northville High School history as the 1st group to ever perform there. In addition to our excellent coaching staff, our dancers have the opportunity to expand their dance training, knowledge, and experience through choreographing their own pieces. Most importantly, the dancers learn to work together as a team and build lifelong friendships. Upon the completion of one season, dancers receive a Northville High School varsity letter.

## Participation

The company members for each year of NHSVDC are selected by an audition that is held in May or June for the following school year. Auditions are open to all students at NHS from freshman to junior year as well as students in the 8th grade who plan to enroll in NHS in the fall. Prior to auditions, all information will be posted on our website and social media.

## Performances & Events

NHSVDC starts the dance season out with summer intensives, followed up with a week of dance intensives at the end of August to kick off the preparation for the fall pep rally. NHSVDC dancers perform at the NHS fall pep rally, NHS boys & girls varsity basketball games, homecoming parade, Northville Lighted Parade, & a variety of other community events. The season culminates with an annual performance in early February.

## Rehearsal Schedule

Mandatory rehearsals are Monday & Wednesday until 4:30pm and Friday until 5:00pm. In addition, dancers can sign up for optional pieces which rehearse other days of the week.
